Litigation and Dispute resolution (Family Law and others)

Our Litigation & Dispute Resolution Practice has handled some of the most complex litigation in challenging jurisdictions around the country. Whether your organization is facing a single complex dispute or a portfolio of disputes, LEAD has vast resources across a wide range of practices and industries available to serve you.

We work with you to manage potential risks and implement the most effective solutions to reduce costly escalation. The team prides itself on diversity and depth of experience and represents clients across practice areas from inquiry & investigation stages right up to the Supreme Court of India.

Banking and Insurance

The Banking & Financial Services Team provides a broad range of transactional, advisory, and dispute resolution services to banks/NBFC's, insurance companies, and other financial services providers, their trade associations, and vendors. BFSI sector is at the heart of every economy, providing the means to help businesses expand and investors grow. Our extensive, deep sector-specific experience ensures you're working with a team that's fluent in your language and understands the local market.

We partner with our clients, wherever they do business, to find solutions and manage risk in relation to their employment, incentives, and pension legal challenges and objectives.

Our team is capable of advising on the full spectrum of challenges that can arise in a workplace, from defending claims involving race, sex, age, and disability discrimination and sexual harassment; employee benefits issues; wage and hour law; wrongful discharge; breach of contract; and employment torts such

as defamation, interference with contract rights, and intentional infliction of emotional distress and providing practical and efficient advice at the short notice often required in this dynamic and human field.

Real Estate Property Law and contracting litigation:

We offer real estate and property-related legal services to individuals, institutions, corporate organizations, etc., In this regard, we have advised clients on issues relating to the acquisition of property, investigation of title to the property, perfection of title to the property, preparation, and review of documentation relating to real property transactions. We have also been actively involved in the management of clients' properties and the procurement of requisite documentation from appropriate authorities relating to landed property.

Buying and selling a residential or commercial property is a big decision and a significant matter for most people. We at MY LAW Associates offer over many years of experience with property law and have represented both buyers and sellers of property for all legal matters.

This brings peace of mind to our clients.

Our solicitors can offer assistance with property law in the following ways.

- Help you fully understand the issues involved in purchasing or selling property in India.
- Assistance with buying or selling at public auction.
- Information about the costs involved (including the stamp duty)
- Advice for your contract for sale
- Advice in regard to the "cooling off period"
- Negotiating terms and conditions for the sale or purchase of property
- Advice in regard to sale or purchase of vacant land, chits, strata and community title, rural land and purchases "off the plan"
